US Masters - Flexible Package Options

You have complete flexibility when it comes to how many tournament days you would like to attend, how many games of golf on local courses you would like to play and how many nights in total you would like to stay in Augusta. If our standard Masters Packages aren't exactly what you're after, please get in touch so we can tailor something to suit your specific needs.

US Masters Tour Extensions

In addition to our Masters Packages, we offer extension packages that you can add-on either before or after Masters Week. Why not turn your 7 night Masters trip into a 10 night package with 3 extra games of golf on courses such as Pinehurst No 2, Pebble Beach and Shadow Creek. **Extension packages start from US\$3,595**

If you are interested in going to Pebble Beach, Pinehurst, Las Vegas, Scottsdale, Florida - or any of the other great golf destinations in the US, please contact us for more detailed information.

Accommodation in Augusta - Hotels

Stay in the heart of Augusta, amongst all the Masters buzz and excitement! The Golf Travel Agency is committed to keeping all accommodation and hospitality as close to Augusta National Golf Club as possible, so there is more time dedicated to enjoying the week and less time spent travelling to and from distant hotels in the heavy traffic that occurs during Masters week.

With an array of restaurants and sports bars to choose from, you can share the Masters experience with people from all over the world who have come to do the same thing - immerse themselves in the greatest golf tournament of them all. You may even bump into the odd golf legend along the way, with caddies and players (both former and current) often sighted in and around the main drag.

If you are travelling as a single or in pairs, you may wish to stay in a hotel. We have access to hotels of varying standards, all within 1 - 5 miles of Augusta National.

Accommodation in Augusta - Houses

Standard House

Deluxe House

Prestige House

For groups of 3 or more, we also offer Private Houses, most within walking distance (under 1 mile) from Augusta National. An advantage of choosing a private house is the shared entertainment areas for your group to socialize in, from large living rooms, to great BBQ areas and even Jacuzzis and swimming pools. Staying in a house with your friends or family, so close to the gates of the most beautiful golf course in the world just contributes to what will already be one of life's great experiences!

When you stay within walking distance of the Augusta National Golf Club, you are also within easy reach of the many restaurants and sports bars in the area!

If the idea of a house in Augusta interests you, or whether you prefer to stay in a hotel, the team at The Golf Travel Agency can help you plan your Masters trip with a variety of accommodation options right in the centre of all the Masters buzz and excitement.

My trip to historic Pinehurst and The Masters with Mike & Abigail from The Golf Travel Agency absolutely exceeded my bucket list expectations. Every aspect of the trip was expertly planned which maximised the experience. Staying within walking distance of Augusta National in quality housing is a must. Highly recommend travelling with The Golf Travel Agency!!
Mark Purtill (Concord Golf Club, NSW)

This year was my second trip to The Masters with The Golf Travel Agency. The experience was wonderful, enhanced by the excellent and professional manner in which we were cared for by our hosts, Mike and Abigail, who were responsive to all of our needs. A great time which I look forward to repeating in future years.
Murray Forrest (Oatlands Golf Club, NSW)

We cannot speak highly enough of Mike & Abigail. They were professional, friendly and most importantly, competent. I would recommend them without hesitation. This experience will have us travelling with them again.
Mark S (Royal Canberra Golf Club)

Mike and Abigail where do I begin? I had the most amazing Masters trip EVER! I can't thank you enough for all of your help in putting the itinerary together, it could not have been better (well maybe my golf at times!) We played some amazing courses, the boys and I had a fantastic experience. The Masters itself was a life experience I would highly recommend to any golf enthusiast. Being around and watching the world's best golfers on the most incredible golf course is something I will always treasure. I cannot wait to plan our next golf adventure with you.

Paul Blenkhorn (Bayview Golf Club, NSW)

I would like to express my thanks to both Mike and Abigail... the Masters really was a wonderful trip, for me a bucket list item that is now well and truly signed off. From our time at Pinehurst to the final day of the Masters ... everything ran like clockwork ... having Mike and Abigail along was key to getting the most out of the trip, from their advice on exactly where to put our seats to get the best vantage points on the course to where the best places were to eat ... it was these little things that made everything work so well ... cannot recommend them highly enough.

Peter Davis (NSW Golf Club)

Many thanks for such a great experience over in Augusta, and for all of your planning, effort and managing every aspect of the Tour. In talking to other people that I knew who were over there, they did not have the benefit of your guidance and experience in adding the touches to make it an exceptional experience. Thanks again.

Howard Parker (Pymble Golf Club, NSW)

The tour was absolutely sensational, and the location of the accommodation was superb with well organised transport to and from the Master's course and golf courses where we played. We can't emphasise the importance of staying in Augusta for the whole week. It enabled us to maximise the enjoyment of the whole event and the hospitality that you provided as hosts was excellent. We've dined out on stories from our trip and have recommended to others that they sign up to go on your next tour!
